DEPARTMENT OF ENVIRONMENTAL SCIENCE

Notice

This is for the information of all the undergraduate students of the college that TERI (The Energy and Resources Institute) New Delhi is going to organize GO4Youth (Green Olympiad Examination- Level 4) -an annual environment examination for students.

GO4Youth is an online examination comprising of multiple choice questions to evaluate knowledge, aptitude and attitude of students towards environmental issues. Registration in this regard can be made through the project website- www.teriin.org/olypiad. Top performing students will get merit/participation certificates and qualify for an internship at TERI for a duration of 2 months. Interested students are directed to contact *HOD Environmental Science* Mr. Waseem Yaseen till 20th February, 2020.

HOD

Environmental Science
