Biodiversity Status Concern &

Opportunities

International Day for Biological Diversity 22nd of May, 2021

Biodiversity is the variety & variability of life and the ecological complexes in which they occur. Our Country is one of the 12 mega diversity countries of the world and harbours two biodiversity hotspots but due to unsustainable development the biodiversity is on threat and many keystone species are going extinct . It is in this backdrop the present e-workshop is being organised by the Department of Bio-Sciences, Govt. Degree College Bijbehara on the theme “BIODIVERSITY: STATUS CONCERN AND OPPORTUNITIES ” on 22nd of May, 2021 at 11:00 A.M.
