World Water Day

NSS wing and Debates and Seminar committee of college organized a poster competition on 29th March 2023 to sensitize and create awareness about the most precious natural resource -WATER. The theme of the World Water Day for the year 2023 is “Accelerating change” to accelerate the change required to solve the water and sanitation crises. NSS intends to encourage the students to participate enthusiastically and present their emotions, feelings, ideas, creative and innovative thoughts on the value of water. The information regarding Poster competition was announced on 20th March 2023 and last day for submission of poster/ drawing competition was 29th March 2023. Students participated with full zeal and zest and showcased their artwork in the college.
